## WHAT is...

### Early College High School?

- ⇒ KHS Early College High School (ECHS) program is a collaborative partnership with University of Hawaii, Hilo and Hawaii Community College, Palamanui. This program enables students to earn both a high school credits and college credits (dual credits) at a minimal cost.
- ⇒ The intent of Kohala High School's ECHS program is to make college accessible to students who are capable of thriving in a college setting, but are traditionally underrepresented in post secondary education. The curriculum is accelerated, college-level and rigorous; however, students are provided with the support necessary to be successful.
- ⇒ In this program, instructors from UH, Hilo and HCC, Palamanui teach college courses on KHS campus, eliminating the barrier of transportation.
- ⇒ ECHS students are allowed to continue participation in high school activities; however, time conflicts may need to be addressed depending on when ECHS college courses and services are offered.
